I've got my Halo series here.

A man and a woman are viewing a modern art installation in a gallery. The man, wearing a blue shirt and a black cap, is pointing at a vertical artwork made of colorful, layered, wavy shapes. The woman, wearing a black t-shirt and glasses, is looking at the same artwork. In the background, there are other artworks, including a large, glowing, circular piece with a wavy pattern and a large, colorful, abstract piece on the right. The text "Thank you" is overlaid in a large, teal, cursive font across the bottom of the image.

Thank you
